

Domestic Urn 5 Litre

The perfect solution for home entertaining.

This top quality electric urn **has a fresh new design**^ but is still a proven performer all around the world because it is safe, reliable and long-lasting.

Benefits

Great value & low maintenance – polished stainless steel body with vented, twist-to-lock lid. Welded joints for superior corrosion resistance and effortless cleaning

Temperature control – thermostat sensor lets you set and maintain the water temperature

Safety – cut-out switch turns off the power if the urn boils dry and non-drip tap prevents accidents and mess. Durable, easy-lift safety handles

All you need – power indicator light, heat-resistant knobs, easy-lift safety handles and lockable lid

^ New design expected Sept/Oct 09.
