

Contact Grill Medium and Large

Heavy duty cast iron surfaces for high-volume grilling.

These versatile counter top contact grills are ideal for a wide range of toasted and grilled snacks.

Benefits

Versatile cooking surface – heavy duty, smooth cast iron cooking surfaces capable of withstanding high-volume use

Commercial quality – galvanised steel base and stainless steel construction (#304) with stylish brushed finish

European controls – dual control European thermostat and thermal cut-out function for precision and safety

Practical – upper element control, spring loaded height settings and removable stainless steel crumb/drip tray for easy cleaning

Medium Griddle plate 360mm(w) x 280mm(d) per side

Large Griddle plate 430mm(w) x 240mm(d)

Operates between 60 and 300 degrees

Safe – non-slip rubber feet, heat resistant ABS control dials and handles
